Dear Ms. Gibson:

At its January 2020 meeting, the Commission on Judicial Performance voted to close your complaint dated December 10, 2019.

After considering all the information before it about this matter, the commission determined that there was insufficient support for the allegations of impropriety in your complaint and that judicial misconduct could not be established by clear and convincing evidence, as is required in commission proceedings.

If you wish to provide further information regarding your complaint, it will be considered. However, based on the information provided to date, your case has been closed.

We appreciate your time and effort in bringing this matter to the commission's attention.

Very truly yours,

Jessica Tankersley
