Hi <tonigib468@gmail.com>
Sales@boxngo.com

This is my 2nd email, yet I have not received a response. My account number is 11090. I previously emailed you regarding issues with late fees, and the time taken to cash my check. I mailed check number 1364 on Aug 18, 2022, which has yet to be cashed. I addressed this issue regarding late fees previously in an email sent to you Aug. 19, 2022, that I didn't receive a response. Today is Aug 25th, the check has yet to clear.

Respectfully,

Karrie Gibson

My name is Karrie Gibson. My account number is 11090. I continue to receive late fees when I am mindful to mail your payment prior to the 20th of the month. According to the invoice you are billing me for late fees for April and May. According to my records check number 521 cleared on April 25th, check number 522 cleared on May 25th. According to state and federal law, as long as the payment is postmarked prior to the due date, it counts the time the payment is mailed. I have reviewed the last 10 payments, there is a delay in depositing the checks. On August 18 I mailed check number 1364 for August pymt. Please don't bill me because there is a lag in your invoice process.

Respectfully,

Karrie Gibson

Frank, Freddy and who else it may concern. I am contacting you regarding my property. Storage Unit 1296, 1464, 1712, 1874 and 0317. My son received a voicemail this morning regarding Sterling Scarborough and my Karrie Gibson property. See attached of the voicemail transcribed to text received from Sterling Scarborough. I spoke to Frank who said he would transfer me to Freddy. The transfer went to a voicemail. I tried to call twice.

As a reminder, I have documented and record every aspect of this situation. As I originally notified you, that I did not authorize the moving of my property. My property was illegally given to you. Attached is the original letter that I sent to you, the court and James Gibson.

Attached you will find February invoice, the cancel check from February's payment. I have strong concerns about my property. Each time I email this address I do not receive response. Why would Freddy state that my property is in default. This is the second time Freddy has insinuated that I was in default.

Please acknowledge this email.
